Claims 1, 3-21 and 23 are pending in this application. By this amendment, claims 20 and 23 are amended and claim 22 is canceled without prejudice or disclaimer. Reconsideration in view of the above amendments with the following remarks is respectfully requested.

Entry of the amended claims is proper under 37 C.F.R. §1.116 since the amendments: (1) place the application in condition for allowance (for the reasons discussed herein); (2) do not raise any new issues requiring further search and/or consideration (since the amendments amplify issues previously discussed throughout prosecution without incorporating additional subject matter); and/or (3) place the application in better form for appeal (if necessary). Entry is thus requested.

With respect to claim 20, Applicants respectfully submit that allowable subject matter from claim 22 is incorporated into claim 20. Claim 21 depends from claim 20, and therefore also defines patentable subject matter for at least that reason as well as its additionally
